MH VALVE CO. 129 Hydrant with **ALPHA™** Restrained Joint

SOLUTIONS:

ALPHA™ Restrained Joint

Maintenance **simplicity** with component interchangeability across model years.

Options for oil or grease with dual lubrication.

Straightforward extensions require only the knowledge of the hydrant's MVO size, either 5 1/4" or 4 1/2".

All hydrants feature a **standard** weathershield to safeguard operational parts.

Retrofit iHydrant® Remote Pressure & Temperature Monitoring Technology or order a new complete unit.

Save trench time. Straightforward installation. Pipe flexibility.
